COMMUNITY LIFE DEPARTMENT ANNUAL TRICK OR TREAT EVENT

The Community Life department at Sanctuary at Bellbrook Retirement Community will hold its 10th annual Trick or Treat event for children under the age of 12 on Saturday, Oct. 25 from 2:30 - 4 p.m.

The Trick or Treat event takes place in various areas of the retirement community including the Assisted Living floor and public areas near the independent apartments. Residents and their grandchildren, as well as children of Sanctuary at Bellbrook staff, look forward to this event. Children are encouraged to wear costumes, and residents are thrilled to see the children dressed up.

Janet Allen, Community Life director, said, "This is such a fun event for the residents to participate in. It brings back a lot of good memories for the residents. And the children love receiving candy." Volunteers are needed to participate during this event to assist the residents to hand out candy, help monitor children, and to clean up after the event.
